## **Ohio State President Visit**

Karen A. Holbrook will visit Ohio State Lima on Friday, March 12, 2004. She is very interested in the student experience on the regional campuses and time for a session with students will be part of her activities. The agenda for the day has not yet been set in stone, but check back in the *Communicator* for more information to follow. This is an excellent opportunity to let our University's leader know exactly what you think the campus needs to succeed and thrive. It will also be an excellent opportunity to pick up a free mid-morning snack or lunch because food will be served.
